

Commonly Asked Questions

- Q: I give my offering in the plate, but I don't pledge. Is that okay?
- A: That's okay but a pledge is intentional and better for planning purposes. Please try to pledge in 2012, even if you give only a few dollars a week. Have faith, fear not, trust God.
- Q: If I pledge and find out I can't make it, what should I do?
- A: Pledges are not written in stone. A simple confidential call to the office is all that is necessary to change your pledge to a lesser or greater amount. Have faith, fear not, trust God.
